The computer sings rhythmically,
Its lights flashing in calculated seconds;
My life fleeting in calculated grains
Of sand sifting through a bottle.

Roses bloom in symmetrical perfection
As people smile mechanically—but
Do their hearts really smile or
Are their brains playing Chess
With society? Knight takes Queen. Check.

A mutation of a mechanized world,
Lost in our social gambit of does-he-like-me
Popularity contest, I drop out.
Suddenly, I am free. . . . . .
To be me. Checkmate.

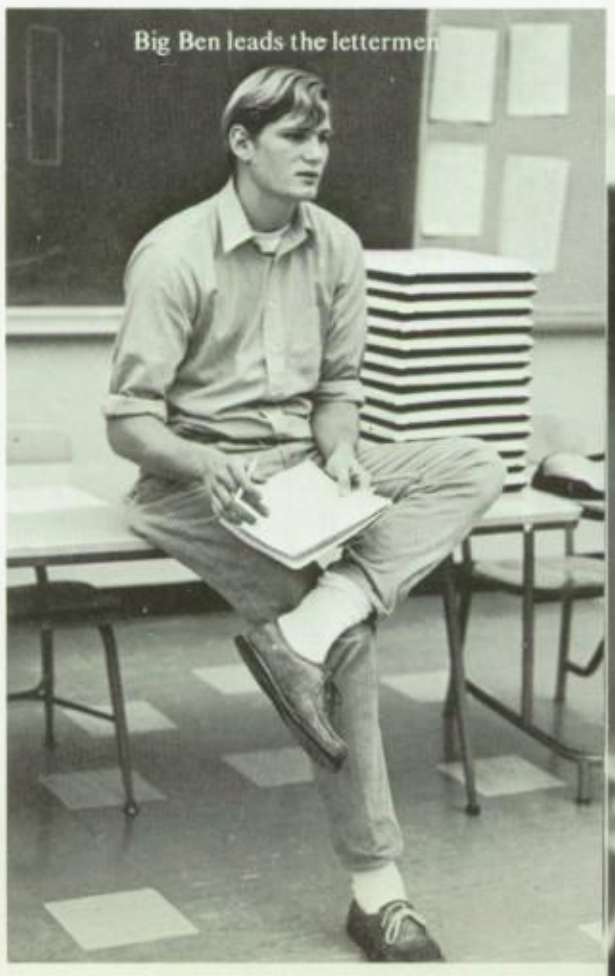
Senior Advisory Board

This year's Senior Advisory Board has done a commendable job in helping the Class of '71 enjoy its most memorable year. The Board's first major achievement involved the organization of a fantastic Senior Class Picnic at Huntington Beach. Later in the fall, the Board planned the dance held after the homecoming game. After narrowing down the choices for the Senior Musical, members of the Board provided leadership for several of the musical committees. Other members of the Board worked with senior parents on the plans for Grad Night. Throughout the year, the Senior Advisory Board has offered creative planning and leadership for various senior activities.

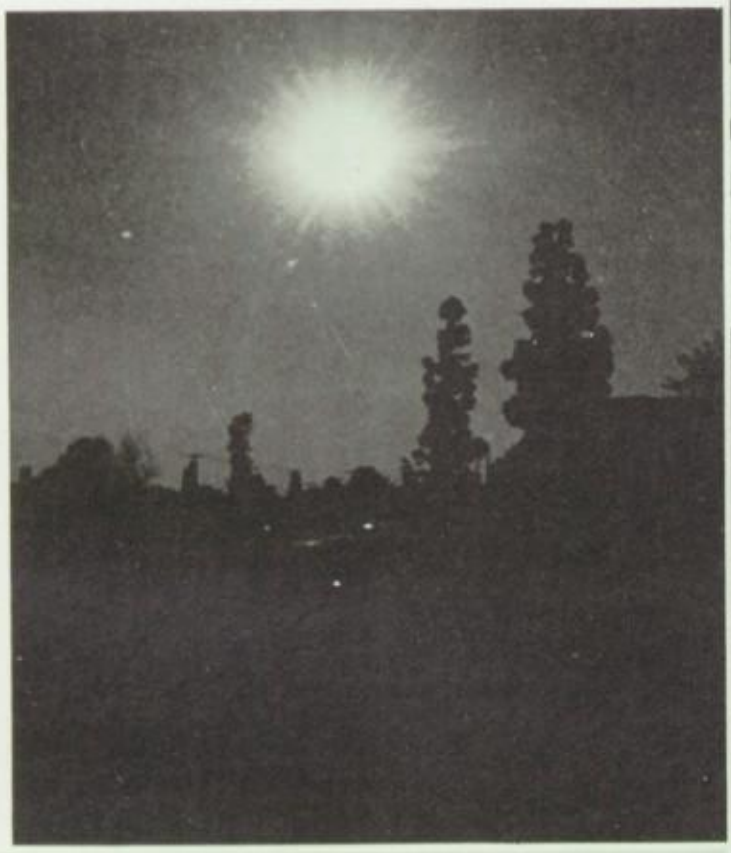


Big Ben leads the lettermen

"Certs is a candy mint!"

Senior men rap about the issues of the day.

"Spirit in the Sky"



"The best-laid plans of mice and men often go astray."

Certs is a breath mint!"

Girls' and Boys' State

Barbara Lebeis and Dan Rybicki, our delegates to Girls' and Boys' State, participated in the model governments sponsored by the American Legion. The Girl's State motto expresses the spirit of both programs: "There are no strangers, only friends who have not yet met."

REPUTATION AND CHARACTER

The circumstances amid which you live determine your reputation; the truth you believe determines your character. Reputation is what you are supposed to be; character is what you are. Reputation is the photograph; character is the face. Reputation comes over one from without; character grows up from within. Reputation is what you have when you come to a new community; character is what you have when you go away. Your reputation is learned in an hour; your character does not come to light for a year. Reputation is made in a moment; character is built in a lifetime. Reputation grows like a mushroom; character grows like the oak. A single newspaper report gives you your reputation; a life of toil gives you your character. Reputation makes you rich or makes you poor; character makes you happy or makes you miserable. Reputation is what men say about you on your tombstone; character is what angels say about you before the throne of God.

Life Members

The brains who travel through our corridors are most likely members of this honorable club. These "Aristotles" put their knowledge to good use by tutoring those less fortunate. Life members must have four semesters of membership, one semester from their senior year.

Promethians

These senior stand-outs have shown superb scholarship and service throughout their years at S.M.H.S. The small blue pin each member wears symbolizes his membership in the club. Those who make up the club are chosen by a committee composed of juniors, seniors, and faculty members.

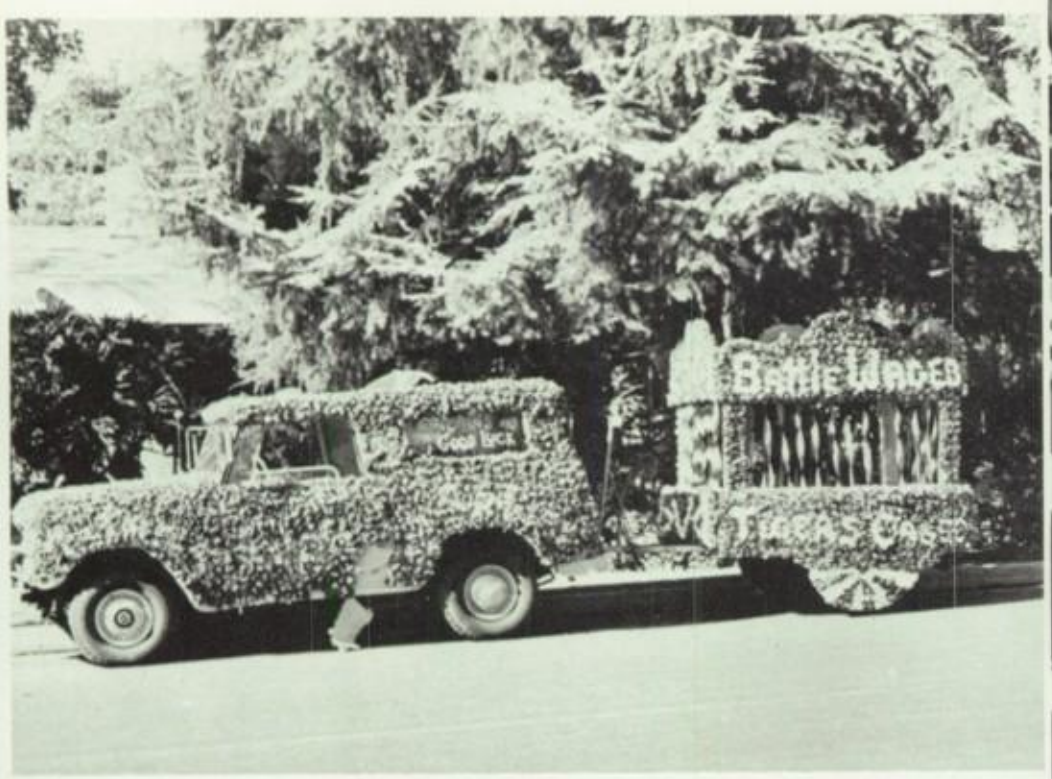
Amician float awaits it christening.



Known for their friendliness, Amicians achieve unity within the club as well as around the campus. This year the gals walked off with second place for their entry in the homecoming parade. For the first time ever, delectable brownies, jawbreaking jawbreakers, and mouth watering cookies were added as a spicy touch to the Christmas Book Fair. The club went really racy with their kissing booth at the school carnival. Equipped with stop watches, club members timed couples who were joined together in passionate embraces. What a busy year it was!

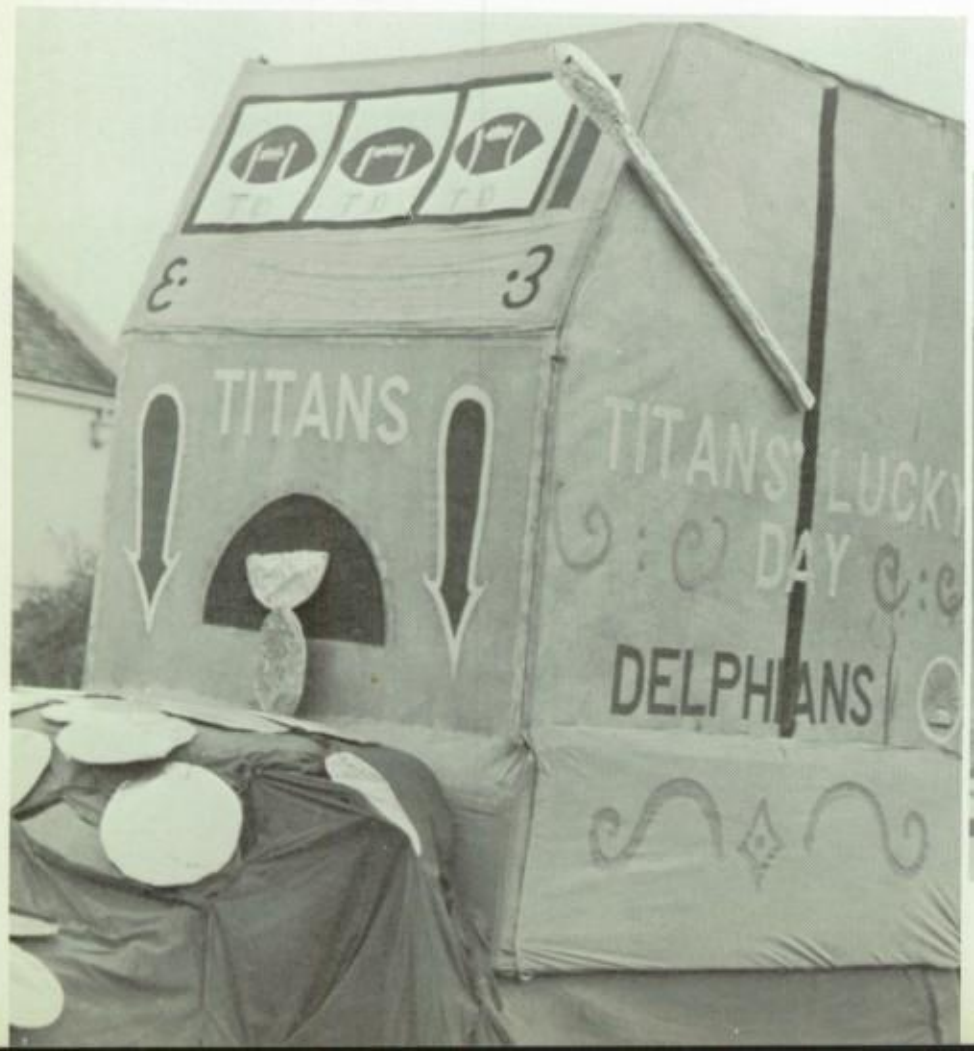
The newest member to S.M.H.S.'s team of service clubs, Delphians, was active this year in many different types of projects including Halloween Insurance. The Guys and Dolls of the group all got together early Saturday morning to clean up the tragic mess and scars that the goblins had made. Being in charge of the letters on the marque, the club has done an excellent job keeping people of San Marino informed on what's happening on the high school campus.

Delphian float awaits judging.



Delphians officers talking it over.

Sign speaks for itself!

Known for their handsome navy sweaters, the active participants of Interact show real team work as they engage in their Volunteer work at Play Patio. In addition to this, the club's Youth Employment has benefited many unemployed students and kept them out of mischief. As in past years they have helped to support a needy Mexican village with their annual La Ruma Rosa Drive. What a great group of boys make up this service club.

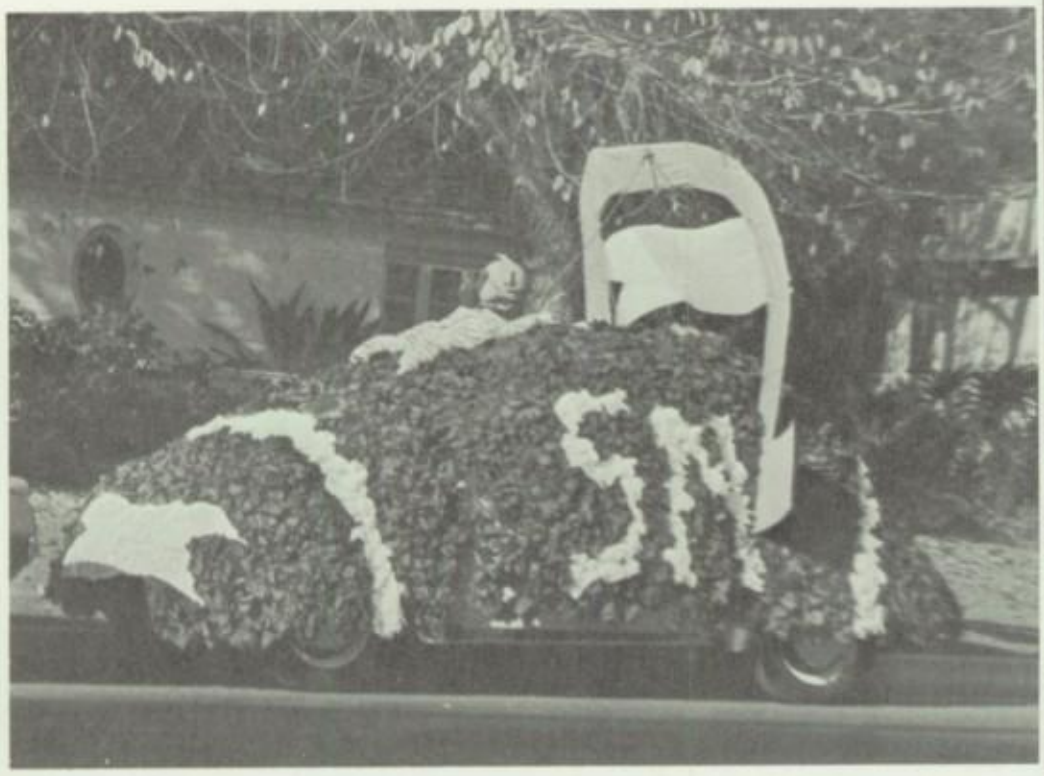
The men of Key Club again sponsored the annual Key Tag Days. This year they also sold football programs during the season. Steve Gillette was the honored folk singer Key Club featured at their assembly. In addition to all this, the club continued in the selling of license plate borders. As a group, the guys look super suave in their light colored jackets.

KEY CLUB INTERNATIONAL

Omega float awaits its showing.



Omega-Interact car rallies, Maryvale Home for Girls, Cerebral Palsy clothing drive, and the annual fashion shows are just a few of the many projects the active, energetic Omegas engaged in this year. New experiences and friends made the club's hard work worthwhile. Adding spice to our lives, the girls published "Titans Prefer", a cookbook of tasty treats.

A joyful fashion show.

Muffy, Hally, and Mike look into the future

Lending a helpful hand to victims of disaster in local communities and in foreign countries is this club's ultimate goal. By exercising these ideals, members of the club this year helped with blood donations and were aids for the Chapter House.

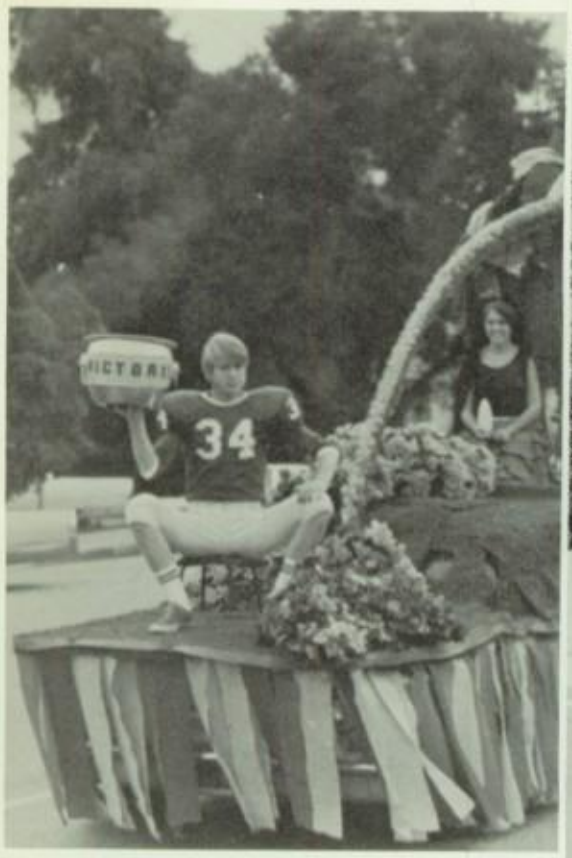
Red Cross



"I'll drink to that!"

This club is one of the fastest growing organizations on campus, in addition to being the oldest. For years this enthusiastic club has sponsored the Christmas Food and Clothing Drive to help support an orphange in Ensenada, Mexico. This year Mr. Don Meadows was adviser for the club.

Ecology Club

With the aim to keep America beautiful, to clean up our environment, these members of the Ecology Club join together to pick up trash around our school campus and our community. By opening up a Recycling Center, people can bring their trash for re-use.

Trash never looked so good before!

Mathletes

Mathletes are the athletes of the math fields. They participate in National Math contests all over the country. In order to compete, one must have an "A" average. The participants can and do win awards often.

The 1970 Titan football campaign could be summed up with one word - FRUSTRATION! The season began optimistically with seniors returning at all the skilled positions. But even before the first game the rash of injuries began to thin the squad's ranks.

In the traditional opening game against Arcadia, the Titans appeared to be rolling to victory; two fumbles turned apparent victory into a stunning 21-22 set back. The game proved even more costly because quarterback Jamie Shepherdson was to miss the remainder of the non-league game with a broken hand. The Titans made their first home appearance against San Gabriel the following week. Despite moving the ball well, the game ended with San Marino on the Matador 5-yard line and forced to take a 0-0 tie.

High ranking Royal Oak was next for the Titans and frustrations and expectations were released as Tracy Totten and Dave Morrison led the team to a smashing 33-6 triumph. From high to low was the San Marino story. The last non-league game saw the Titans play their worst game of the season and fumble away a 14-7 decision to La Serna. This game marked the loss of top running back Tracy Totten for three games.

La Canada was the Rio Hondo League opener. Sparked by the return of Shepherdson and the defensive play of All-League performers Ted Sheehy and Dave Morrison the Titans crushed the Spartans in impressive style 24-9. Continuing to gain momentum the Titans journeyed to Bell Gardens and methodically whipped the Lancers 27-6.

Returning home to face Duarte, the Titans began to get some of the more than a dozen injured players back. After a tight first half San Marino came on strong to tame Duarte 28-14 and set up the league showdown with Temple City.

With the largest crowd in Ram history looking on, the Rams and Titans traded opening quarter touchdowns. Temple City came back to score, to take the lead, and as San Marino was driving deep in Ram territory an intercepted pass turned the tide and Temple City scored again. The Titans battled hard in the second half, but couldn't overcome the early lead and finally bowed to the powerful, unbeaten Rams, 28-14.

The traditional Homecoming game was against arch-rival South Pasadena. With a possible C.I.F. play-off berth at stake for both teams, the Tigers jumped out to an early 13-point lead and completely dominated first half play. Fighting for their lives the Titans roared back strong in the second half to threaten many times. However, with less than a minute to play the Titans were down 13-7. Racing the clock, the Titans scored the tying touchdown as the gun went off. But the biggest frustration was to come when the try for the extra point was wide and San Marino had to settle for a 13-13 tie and dashed their hoped for C.I.F.

Cross Country

Some students at San Marino tend to expect the Cross Country team to win the Rio Hondo League, go undefeated, and win the CIF Championship. If it were not for the fact that almost 200 other schools in the area would like to do the same thing, this attitude might be most understandable. Instead, every summer, when many others are thinking about nothing but leisure-time activities, a San Marino runner must decide to use his free time in grinding, grueling, boreing workouts, destined to bring about the top physical condition necessary to produce a winning Cross Country squad.

This year, like so many in the past, the San Marino runners were able to bring about this remarkable accomplishment. Coach Jack Bradford says that this only partly explains the San Marino success story. He feels that Titan runners think of themselves as winners, and so do competing schools. He feels that Titan runners are willing to discipline themselves on their own time, are intelligent enough to know the price they have to pay, and take extreme pride in their toughness. Whatever the exact ingredients, for the sixth time in the past eight years San Marino won a CIF Championship, and along the way went undefeated, captured the Dominguez Invitational, and established themselves as one of the top squads, large school or small, in the Southland.

Sophomore Ivan Porto emerged as the most dependable runner, and capped his season with a second-place finish in the CIF after his winning effort in the Rio Hondo League. Captain Dick Mapel was right behind Porto, placing second in the Rio Hondo League and 8th in the CIF. Junior Mike Campbell was fifth in the League and 13th in the CIF. Paris Masek was eighth in the League and 14th in the CIF. John Pruitt was seventh in the League and nineteenth in the CIF. Other strong Varsity performers were Steve Martinez, Richard Link, Peter Day, Ed Howe, and Ben Ubovich.

The JV team suffered but one defeat— an early season loss to Salesian. Leaders on this squad were Bruce Boyer, Randy Roffina, Lloyd Ruland, Jeff Bowen, Ron Benson, and Will Ross. The Frosh-Soph squad, often decimated in order to present a strong JV aggregation, nevertheless compiled a fine 8-2 record. Leading runners at this level were John Hannah, Clay Lord, Chris McGowen, and Dave Cook.

The Varsity squad voted Ivan Porto as Most Valuable, Steve Martinez as Most Improved and Ben Ubovich and Rick Mapel as Most Inspirational. The JV squad voted Bruce Boyer as Most Valuable and Randy Roffina as Most Improved. On the Frosh-Soph squad Keith Lewis was voted Most Valuable and both Don Nibecher and Bob Champion were voted Most Improved.

San Marino will continue to do well in Cross Country and next year all C.I.F. finalists except Captain Mapel will return to continue our fine tradition.

Water

Angered by a loss in their first league game, the fantastic Varsity Water Polo team poured on the power to triumph in the next nine league games. This aggressive team won games by outstanding scores, such as 12-6 (Bell Gardens), 16-3 (La Canada), 14-6 (La Salle), 19-5 (Temple City). With the help of excellent all-league players Bob Fleming (Captain and most valuable), Bob Digges (Most Valuable in league), Tom Schmidt, Packy Jones, Ralph Vendeland, and Dave Evans, the team became the undisputed possessors of the Rio Hondo League Championship. Bob Koenig was considered by his teammates to be the most improved player on the team. Although the team was defeated 18-3 by Crescenta Valley in the first mismatch of the C.I.F.playoffs, it can still lay claim to a extremely successful season.

The Bee Polo team emerged as league champions with the aid of Owen Robinson (Captain), Brian Booth (most valuable), Jerry Ketelson, and John Vendeland.

Outstanding players Bob Sinclair (Captain), Mark Saliba (most valuable), Hugh Penton, and Greg Newton led the Cee Polo team to the league championship.

During the cold winter months there emerged a Titan Varsity Basketball team that became a dynamo of power. By December 18 this team had chalked up almost as many victories as the previous Titan team gained in their entire season. Reasons for the outstanding record were Captain Richard Forde, Star Player Mark Bruder, Dauntless Doug Richards, Jumping Jon Howe, and Rambling Rick Saunders. This first string Fearsome Fivesome was supported by the quick relievers—Mr. Do Everything Well Rich McDonald, Bounding Ben Brooks, and Galloping Gary Gaffney. One of the team members Charlie McClung summed up his feelings about the team with "We're great". Under the cool coaching of Garland Lewis, the Titans were confident of capturing the League Title and of doing well in CIF.

Wrestling

Off the mat

After a slow start in the early season San Marino's Varsity Wrestling team proved to be the strongest team in the school's history. Under the direction of a new head coach, William Maloney, the team placed fourth at the Palos Verdes meet and second at the Arcadia Quadrant meet, with many team members winning medals. Matmen capable of going into C.I.F. competition were George Pichel, Lou Abbott, Roy Tolles, Chris Fletcher, Ed Snowden, and Dave Morrison, who racked up the most pins in competition. The team was undefeated in league competition. The Junior Varsity team, coached by Pat Ryan, was also undefeated in league competition with the aid of Cliff Wilson, Rick Crowell, Kevin Brogan, Greg King and others.

For the fourth consecutive year, these women have successfully attained the league title. Under the brilliant coaching of Mrs. Barbara Kirk, this team produced an unsurpassable ten wins-zero loss record. Aiding the team in its capture of the title were the talented Lynn McGilvery (captain), Sue Hurford (most valuable), Margaret Fogwell (most improved), and Nancy Zimmerman (most improved). Some of the younger members of the team are hopeful of a Junior Varsity Division in the future to enable greater participation by more of the team.

The Varsity Swimming team was strong in all categories. One reason for this is that every Junior and Senior out for the team placed high in league competition last year. Some of the outstanding swimmers on the squad were Ted Cook, Bob Fleming, Tom Schmidt, and Chris Watts. The various captains were John Vendeland (freshmen), Peter Kerman (sophomores), Dick Grannis (juniors), Ralph Vendeland (seniors). With a team made up of persons with such great ability they were a sure bet to successfully defend their title of league champions.

The Bee team also had the ability to remain league champions as they had the swimming power of Ralph Vendeland, John Vendeland (who is the best prospect to come along in years) and Peter Kerman. The Vendeland brothers are also stars on the Varsity team.

The Cee team was also extremely excellent, provided with the help of Don Dewell, Mark Saliba, Paul Digges, and George Stimson, in their fight to retain their league championship.

Tennis

Although the league in which the Titan Tennis Team participated this year was extremely challenging as compared with previous years, the team remained on top. The Varsity Team's outstanding performances were largly due to the excellence of its Junior members, Clint Hufford (14th ranked in California), Geoff Clark, Rob Hamilton, Bruce Wachtel, and Barry Josselson. Other high achievers who gave support were Packy Jones, Charlie Bogue, Larry McCulla, and Bob Pegram. Next year's team should be truly successful because of the fact that only a few of the team members are leaving. The J.V. team further carried out its record of superiority with the aid of Lyle Donovan, and Chris Kramer. Both divisions continued to aspire under the new coaching of Frank Haltom.

With a totally new coaching staff, the Varsity track team set out to continue the longstanding excellence in performance that has prevailed among Titan tracksters on the tracks and fields of the Rio Hondo League. This team possessed many stars, such as Dick Mapel (long-distance champ), Bob Kaye (shot put), Ivan Porto (miler), and Randy Freberg (long jump and sprints). Some of the persons most beneficial to the team were Burt Buser (sprinter and relay), Jamie Fleming (sprinter and long jumper), Mike Roffina (relay), Ed Howe (880), and John Pruitt (miler). Kaye, Mapel, Freberg and Porto were expected to place high in C.I.F. competition. The only events that the team was not outstanding in were the pole vault and the high hurdles, but it's strength in the other events made up for this weakness. New head coach Bill Maloney provided much of the spirit, guidance and impetus, with the help of excellent coaches Joe Bayer, Pat Ryan, and George Arms, that aided the team in it's fight to retain the title of league champions.

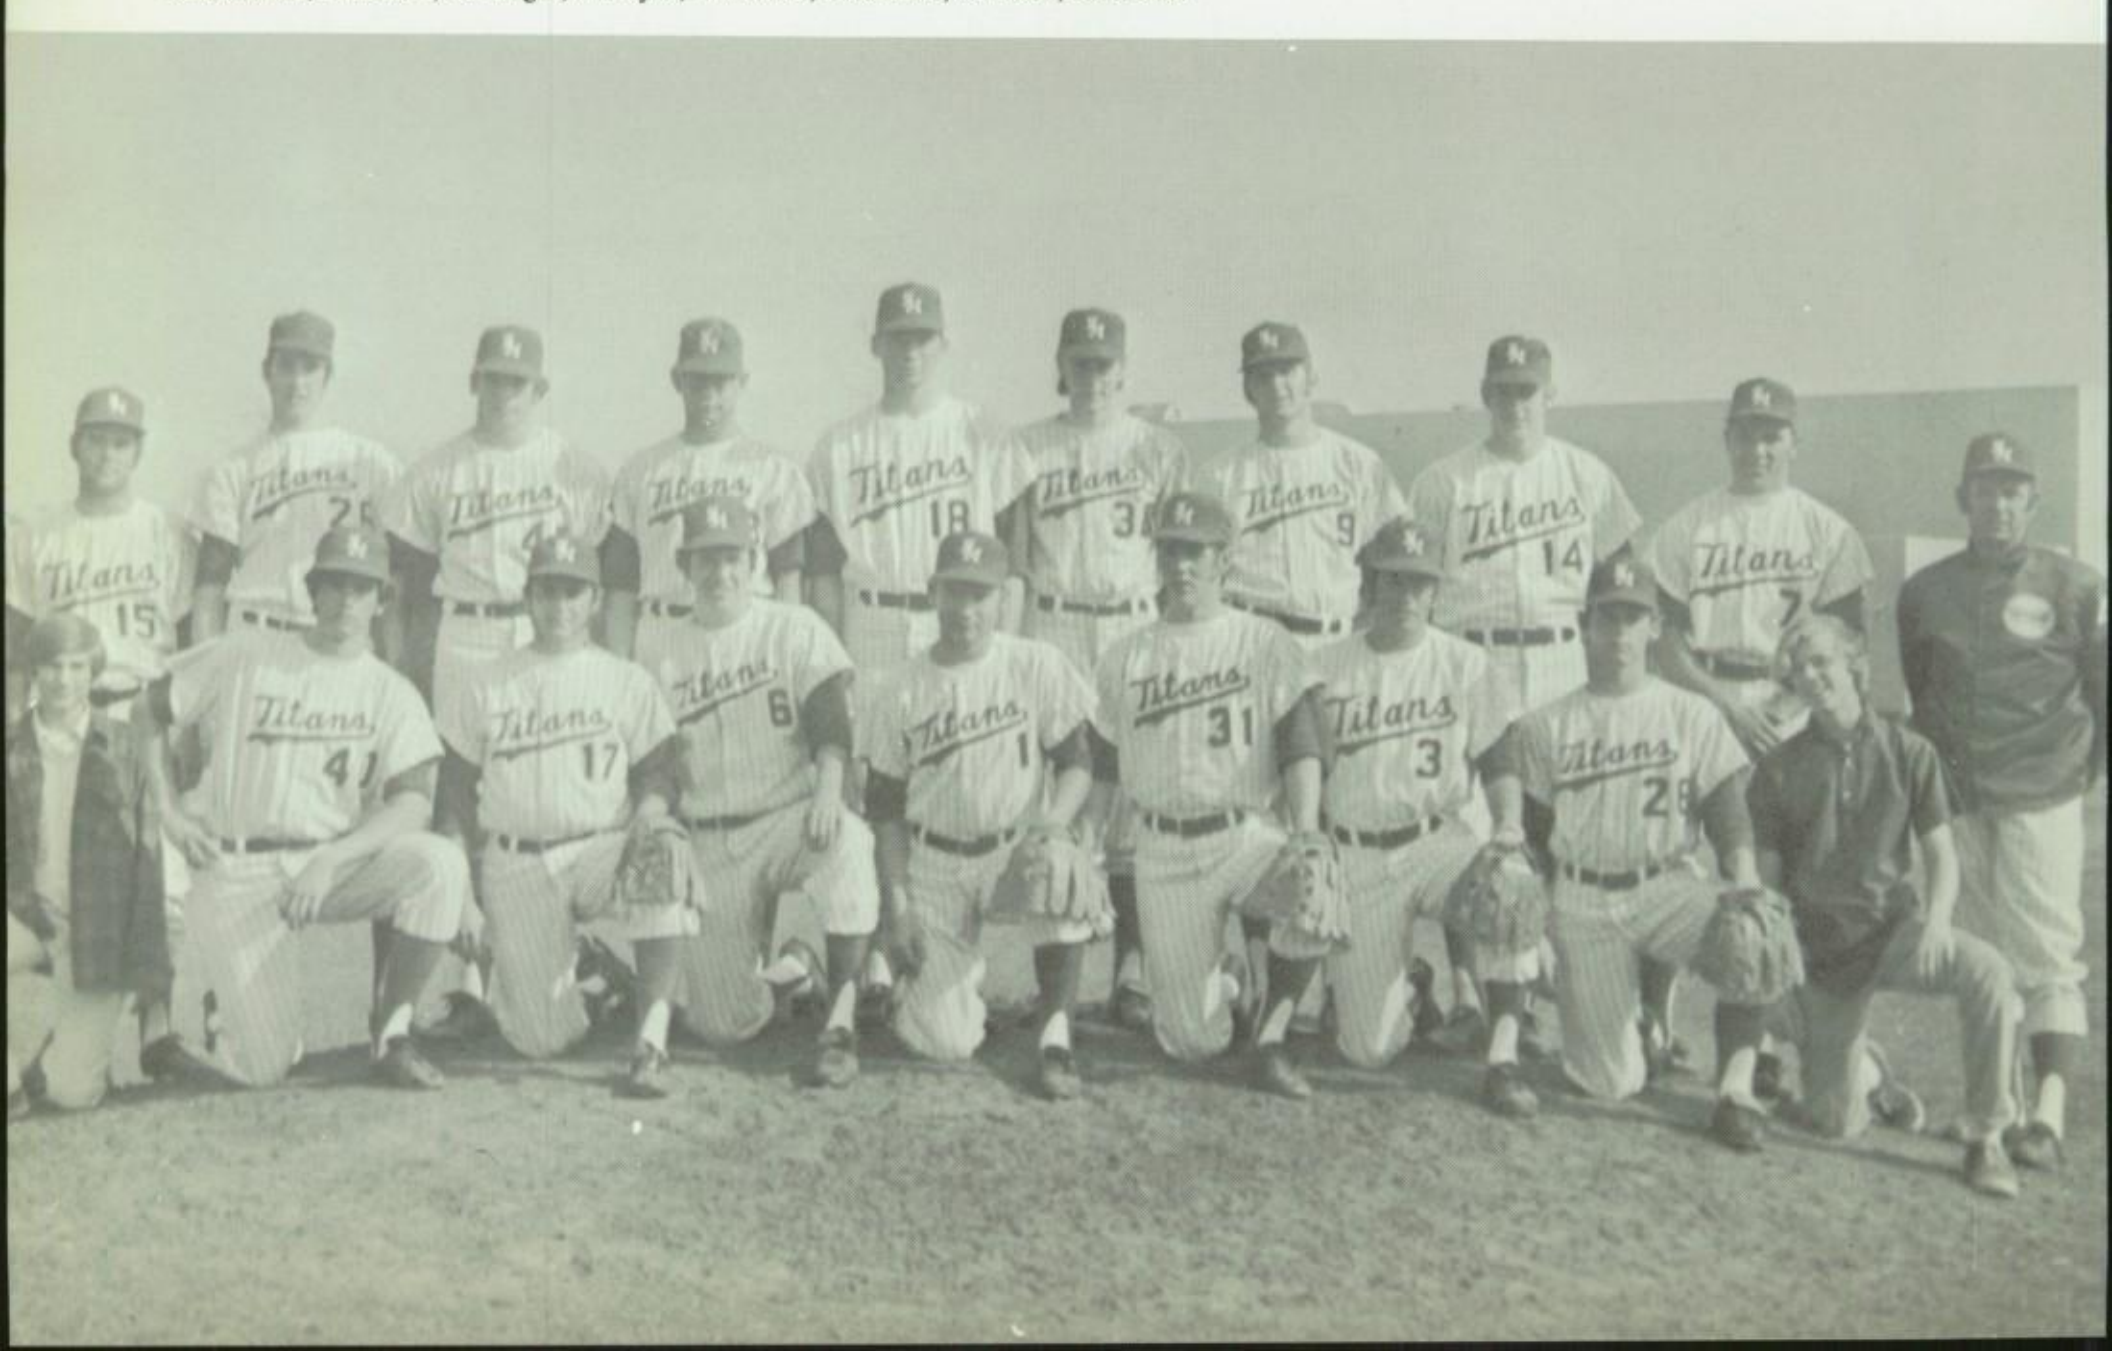
Top Row: J.Moore, P.Bruder, J.Burwell, B.Miller, J.Burge, J.Tuck, F.Williams, J.Shepherdson, T.Totten, Coach McNamee. Bottom Row: G.Apramium, R.McDonald, P.Shelton, D.Ebright, W.Payne, P.Wolcott, G.Santoro, J.Wilson, R.Rubins.



Ebright-how base!

Unlike many of the other teams in their league, the Varsity baseball squad was endowed with players who had quite a bit of experience under their belts. The team possessed an outstanding pitching staff with Jim Shepherdson (All-League last year), Jim Moore, Jeff Tuck and Jeff Burwell. Other experienced players who contributed to the cause of regaining the league championship were All-Leaguers Wayne Payne and Tracy Totten, superb second baseman George Santoro, Don Ebright at first base, new short stop Rich McDonald and outfielder Jim Burge. Ford Williams aided the team with some fine plays as catcher. Making this group of specialists work as a team was again the job of coach McNamee.
